

The Cat Empire - Brighter Than Gold

Tom: E

Ebm
 Four steps in the morning
 Two steps in the day
 Three steps in the evening and the darkness is ablaze
 And all the angels cease, soldiers come step to the parade

Ebm
 Run out like a cheetah
 Monkey's in the blood
 And what a piece of work is man who screams the name of love

Ebm
 And all his brothers, cousins, sisters and others hear it's fuzz

Gb Db Ebm
 All night awake
 In the moonlight I'm with you
 In the moonlight I'm with you
 Brighter than gold!

Ebm
 Born on the horizon
 Beam me through the sky
 Some have seen what none can dream but life calls it a lie

Ebm
 And all the sinners, saints and winners just wink and walk on by

Ebm
 Brando's in the forest, Nancy's in the flood
 The black swan makes a pirouette, the gods cry from above

B
 And the rain keeps falling on bare feet in the mud

Gb Db Ebm
 All night awake
 In the moonlight I'm with you
 In the moonlight I'm with you
 Brighter than gold!

Ebm
 Come Northern nights from Norway
 Come sunrise from the East
 Come Wicked Witches in the West, we're South-bound with the beat

Ebm
 And all the lions, prides and preachers come down into the street

Gb Db Ebm
 All night awake
 In the moonlight I'm with you
 In the moonlight I'm with you
 Brighter than,

Gb Db Ebm
 All night awake
 In the moonlight I'm with you
 In the moonlight I'm with you
 Brighter than gold!
