

The Cat Empire - In My Pocket

Tom: C

(Am, F, G)

I've got a key
 And a piece of paper in my pocket deep
 In my pocket piece of paper and a key
 as I wander through the street
 War is there a war
 or is there isn't a war anymore?
 Somebody told me that nothing is for sure
 Can you hear the ocean roar

(Dm, Em, Am)

On each street is a tree
 In the distance the desert sleeps
 Sometimes a sigh is a song
 And a breath is a melody
 Oceans rise and oceans fall
 So just what does tomorrow mean?
 I give smile a give a song
 For one moment's eternity

(Am, F, C, G, Em, F, G, Em)

Na na na na na na na na na na na na

Na na na na na na na na na na
 Na na na na na na na na na na na na
 Na na na na na na na na na na

(Am, F, G)

Oh but it's some mob
 Some mob that brought me here I know it is my job
 To seek my fortune Nanna thank you for this mob
 Remember you now you are gone
 If I went away
 Tropical island somewhere sunny every day
 But everyone I ever cared about remained
 Would I tan or would I fade?

(Dm, Em, Am)

So every morning he wake
 Spend his day at the daybreak
 And every spoonful he take
 Be of something his own make
 Mountains rise and mountains fall
 So just what does forever mean?
 I give a smile I give a song
 For one moment's eternity
