

# The Cat Empire - Midnight

Tom: G

Only when the lights are dim will you see me shine  
 When all the beautiful people let their spirit fly  
 Look in their eyes  
 Look in their eyes  
 At midnight the dance floor brings out all her kings and queens  
 Leave everything behind this is your place to be  
 Look at them rise  
 Look at them rise  
 If you want it  
 Go and get it  
 In the middle of the night  
 In the middle of the night  
 The beat is calling  
 The lights are falling  
 Through the middle of the night  
 In the middle of the night  
 When the beat stops I see your shadow there  
 The moment between two breaths, the lights are in your hair  
 Look in her eyes  
 Look in her eyes  
 Music does something to me  
 Music does something to me

I'm not the person that you think I am you see

I've always been shy  
 I've always been shy  
 If you want it  
 Go and get it  
 In the middle of the night  
 In the middle of the night  
 The beat is calling  
 The lights are falling  
 Through the middle of the night  
 Through the middle of the night  
 So take my hand  
 Take my hand  
 Look at us rise  
 Look at us rise  
 If you want it  
 Go and get it  
 In the middle of the night  
 In the middle of the night  
 The beat is calling  
 The lights are falling  
 Through the middle of the night  
 In the middle of the night
