

The Chainsmokers - Selfish (feat. Rihanna & Future)

Tom: A

Primeira Parte:

It was right
 Even though it felt wrong
 Nothin' ever stopped you
 From showin' your progression suddenly

Pré-Refrão:

Broken lies
 Drivin' backwards
 Makin' all the wrong turns
 Sayin' all the wrong words
 Dodgin' angels

Refrão:

Oh, let's not be alone
 Let's not be alone
 Let's be one
 Oh, let's not be alone
 Empty thoughts fill the room
 Breathe for me and I'll breathe for you

Segunda Parte 2x:

I just hit the liquor side of France
 Currency exchange, lookin' fancy
 If that money dirty, make it dance
 25 karats cost a mansion

Gold rose petals, bottle standin'
 Came from the concrete, takin' chances
 Pop gold Ace like a Xanny
 I just need the blessin' from your family

Pré-Refrão 2x:

Broken lies, ain't no love without us
 It will die, roses turn into dust
 Every night, we gettin' more popular
 Wrong is right, when it comes to us

Refrão:

Oh, let's not be alone
 Let's not be alone
 Tonight, let's be sel__fish
 Selfish, tonight
 Let's be sel__fish, selfish, baby
 Tonight

I'll be selfish
 Let's be selfish
 Ohh, ohh
 Ooooh, oooo-oooo-oooh
 I'll be selfish
 Let's be selfish
 Let's be
