(com acordes na forma de C )

Capostrate na 2ª casa

**Dm** **Am**  
I'm from the east side of America, where we choose pride  
over character  
**Dm** **Am**  
And we can pick sides but this is us, this is us, this is  
**Dm** **Am**  
I live on the west side of America, where they spin lies  
into fairy dust  
**Dm** **Am**  
And we can pick sides, but this is us, this is us, this is

**F**  
And don't believe the narcissism  
**G** **Am**  
When everyone projects and expects you to listen to 'em  
**F**  
Make no mistake, I live in a prison  
**C**  
That I build myself, it is my religion  
**F**  
And they say that I am the sick boy  
**G** **E**  
Easy to say, when you don't take the risk, boy  
**Am**  
Welcome to the narcissism  
**G** **E**  
Where we're united under our indifference

**Dm** **Am**  
And I'm from the east side of America, where we desensitize  
by hysteria  
**Dm** **Am**  
And we can pick sides but this is us, this is us, this is  
**Dm** **F** **G**  
I live on the west side of America, where they spin lies  
into fairy dust  
**F** **Am**  
And we can pick sides, but this is us, this is us, this is

I am the, I am the, I am the sick boy  
**F** **G** **E**  
(They say that) they say that I am the sick boy  
**Am** **G** **E**  
(And then they say that) and they call me the sick boy

**Dm** **Am**

is my religion, and  
**Dm** **Am**  
They say that I am the sick boy, easy to say, when you  
don't take the risk, boy  
**Dm** **Am**  
Welcome to the narcissism, we're united under our  
indifference
