Thought that I'd be better off if I were on my own  
D Gbm A E  
I tried to put my finger on the moment we were on  
D Gbm A E  
But the taste turned bitter, so I pulled the trigger  
D Gbm A E  
And as so easy to move on, I guess I should have known

Gbm D  
Ice cold, I freeze up when I see you  
A E  
Left you just to find out that I need you  
Gbm D  
So far, I wanna pull you closer,  
A E  
Wish we could start the whole thing over  
Gbm D  
Ever since left you, Ive been trying to get you  
A E  
Back and it keeps getting worse  
Gbm  
I'm burning on the inside,  
D A E  
And the truth is that I didn't know how good you were

Until you were gone!

I always told that only time would heal your pain  
D Gbm A E  
Even though it's been so long, it still hurts just the same

Then and now I'm finding that the bright was blinding  
D Gbm A E  
I take back everything I said, won't you just come home
