D C G A

The steady sale of junk

A
Oh, the state office looked

A G
It looked like Hollywood

Verse2

The motor-cyanide
Cyanide suicide

He finally found the
Brick wall in his life

Shining up his engine
He dressed right up for it

At the top of the speedo
He crumpled the bike

There's plenty people runnin',runnin' for cover-
Hoping at best to hold off all the rest

Once last stand at the bunker fire
Machine gun and pitchfork and breast

CHORUS

Verse3

But it isn't so easy
So easy for lovers

Chained in love

Stained at the top of the tower
The pink hearse is leaving

At funeral speed
Driving your heart

Away with the flowers
All night I waited

I waited for a horseman
His ever faithful

His Indian friend
I'm not the only one

Of the caped crusader fan club
Watching the sky

For mankind's friend
CHORUS

A7

Calamine

A7 (fading out)
