 An' I wanna move the town to the Clash City Rockers

You need a little jump of electrical shockers
 You better leave town if you only wanna knock us
 (same)

Nothing stands the pressure of the Clash City Rockers
 You see the rate they come down the escalator
 Now listen to the tube train accelerator
 Then you realise that you got to have a purpose
 Or this place is gonna knock you out sooner or later

So don't complain about your useless employment
 A Dbm B

Jack it in forever tonight
 (same)

Or shut your mouth and pretend you enjoy it
 Think of all the money you've got
 And I wanna liquefy everybody gone dry
 Or plug into the aerials that poke up in the sky
 Or burn down the suburbs with the half-closed eyes
 You won't succeed unless you try

You owe me a move say the bells of St. Groove
 A Abm Gbm E
 Come on and show me say the bells of old Bowie

When I am fitter say the bells of Gary Glitter
 A Abm Gbm E

No one but you and I say the bells of Prince Far-I
 No one but you and I say the bells of Prince Far-I
 An' I wanna more the town to the Clash City Rockers
 You need a little jump of electrical shockers
 You better leave town if you only wanna knock us
 Nothing stands the pressure of the Clash City Rockers
