Verse I

(E) A Gbm E
If it's true a rich man leads a sad life,

that's what the say from day to day

then what do all the poor do with their lives

on Judgement Day with nothin' to say?

Chorus

I've been beat up I've been thrown out

but I'm not down oh, I'm not down

I've been shown up but I've grown up and

I'm not down oh I'm not down

B B B D D E

Verse II

On My own I faced a gang of jeering

In strange streets oh

When my nerves were pumping and I fought my fear in
I did not run, I was not done

Chorus

Bridge

E A Dbm
Yes I lived that kind of day

Em D
when none of your sorrows will go away

go down and down and hit the floor,

down and down and down somemore

B
Depression

A Dbm Em
But I know, there'll be someway when I can swing everything

D
back my way Like skyscrapers rising up

D B E
floor by floor, not giving up

Verse III

So you walk around and
think that you're the toughest

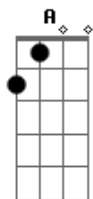

In the world, the whole wide world

But You're streets away from where it gets the roughest

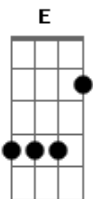

You ain't been there.
