Serving 14 to 99
Well I wish I had me \$1 million dollars
Oh one million to call my own
I would raise meat and say, "grow for me baby"
I would raise me a tobacco farm
Well I wish I would have me a great deal of money
Yeah and mighty good things all over town
Now I ain't got no more money
All of my good friends are putting me down
Now I ain't got no more money
I'm gonna pawn my watch and chain
I would have pawned my seat Gabriella
But the smart girl wouldn't sign her name
....
Give me headstone when I die
