 Singing 6 months ain't no sentence  
 Bb F  
 And one year ain't no time  
 F  
 I was born in Angola

C7 F  
 Serving 14 to 99  
 Well I wish I had me \$1 million dollars  
 Oh one million to call my own  
 I would raise meat and say, "grow for me baby"  
 I would raise me a tobacco farm  
 Well I wish I would have me a great deal of money  
 Yeah and mighty good things all over town  
 Now I ain't got no more money  
 All of my good friends are putting me down  
 Now I ain't got no more money  
 I'm gonna pawn my watch and chain  
 I would have pawned my seat Gabriella  
 But the smart girl wouldn't sign her name  
 ....  
 Give me headstone when I die
