G F C F
All across the town, all across the night
G F C F
Everybody's driving with full headlights
G F C F
Black or white turn it on, face the new religion
G
Everybody's sitting 'round watching television!

G F C D
London's burning with boredom now
G F C D
London's burning dial 99999

G F C F
I'm up and down the westway, in an' out the lights
G F C F
What a great traffic system - It's so bright
G F C F

I can't think of a better way to spend the night
G
Then speeding around underneath the yellow lights!

G F C D
London's burning with boredom now
G F C D
London's burning dial 99999

G F C F
Now I'm in the subway and I'm looking for the flat
G F C F
This one leads to this block, this one leads to that
G F C F
The wind howls through the empty blocks looking for a home
G
I run through the empty stone because I'm all alone!
