

The Clash - Lovers Rock

Tom: G

Yeh, you must treat your lover girl right
 If you wanna make lover's rock
 You must know a place you can kiss to make lovers rock
 'Cause everybody knows it's a crying shame

But nobody knows the poor baby's name
 When she forgot that thing that she had to swallow
 You Western man, you're free with your seed
 When you make lovers rock
 But woops! there goes the strength that you need
 To make real cool lovers rock
 'Cause a genuine lover takes off his clothes
 ANd he can make a lover in a thousand go's
 An' she don't need that thing that she had to swallow
