

# The Clash - Lovers Rock

Tom: G

Yeh, you must treat your lover girl right  
 If you wanna make lover's rock  
 You must know a place you can kiss to make lovers rock  
 'Cause everybody knows it's a crying shame

But nobody knows the poor baby's name  
 When she forgot that thing that she had to swallow  
 You Western man, you're free with your seed  
 When you make lovers rock  
 But woops! there goes the strength that you need  
 To make real cool lovers rock  
 'Cause a genuine lover takes off his clothes  
 ANd he can make a lover in a thousand go's  
 An' she don't need that thing that she had to swallow
