By order of the prophet

We ban that boogie sound.
 Degenerate the faithful
 With that crazy Casbah sound.
 But the Bedouin, they brought out the electric camel drum.
 The local guitar picker got his guitar picking thumb.
 As soon as the Shareef had cleared the square,
 They began to wail.

(Refrão)

Now over at the temple
 Oh, they really pack em in.
 The in crowd say it's cool
 To dig this chanting thing.
 But as the wind changed direction
 and the temple band took five
 The crowd got a whiff
 Of that crazy casbah jive.

(Refrão)

The king called up his jet fighters,
 He said, you better earn your pay.
 Drop your bombs down between the minarets
 Down the casbah way.
 As sson as the Shareef was chauffeured out of there,
 The jet pilote tuned to the cockpit radio blare.
 As soon as the Shareef was outta their hair
 The jet pilots wailed.
