The Clash - Train In Vain

Tom: A
Intro: riff:

```
                 D A A           D A A
You say you stand      by your man
           D  A  A                   D A A
Tell me something    I don't understand
            D                      Bm
You said you loved me, and that's a fact
            D A A                        D A A
The you left me,   said you felt trapped
          D                         A
Well, some things you can't explain away
        Bm                           D
But the heartache's with me till this day
                       D A A
You didn't stand by me
            D A A
No, not at all
                     D A A
You didn't stand by me
      D A A
No way
```

```
All the times when we were close
I'll remember these things the most
I see all my dreams come tumblin' down
I can't be happy without you around
So alone, I keep the wolves at bay
And there's only one thing I can say
[Chorus]
[Bridge:]
           A     Gbm  Bm                  D A A  D A A
You must expla-a-a-ain   why this must be
        A    Gbm Bm                      D A A  D A A
Did you li-i-i-ie  when you spoke to me?
                    D A A               D A A
Did you stand be me?      No, not at all
Now I got a job, but it don't pay
I need new clothes, I need somewhere to stay
But without all of these things I can do
But without your love, I won't make it through
But you don't understand my point of view
I suppose there nothing I can do
[Chorus]
[Bridge]
[Intro riff again]
