

The Cleaners From Venus - Please Don't Step On My Rainbow

tom:

Am
Please don't step on my rainbow
G Dm Am E7
It's only staying for a while
Am E7
And it won't be too long
Am C
Until the day is on the run
G E7 Am E7
And night time will shutter its smile

Am E7 A A7 A
Please don't step on my rainbow
G Dm Am E7
It's only staying for a while
Am E7
And it won't be too long
Am C
Until the day is on the run
G E7 Am E7
And night time will shutter its smile

Am E7 A A7 A
Please don't cough in my doorway
G Dm Am E7
Go if you're going, stay if you're staying
Am E7
And if you'd be so kind
Am C
To lend me money for some wine
G E7 Am E7
Then you won't have to catch your train

Am E7 A A7 A
Please don't step on my rainbow
G Dm Am E7
It's only staying for an hour

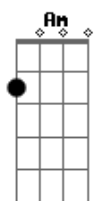

Am E7
And if the price of gin
Am C
Can make your money look too thin
G E7 Am E7
It's only 'cause this government's in power, oh

Am E7 A A7 A
Please don't talk on my phone now
G Dm Am E7
It seems silly but it's true
Am E7
That if you wear a heart
Am C
Which is political or art
G E7 Am E7
Then they might like to question you

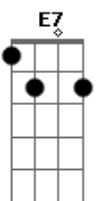

Am E7 A A7 A
Please don't step on my rainbow
G Dm Am E7
It hardly ever comes around
Am E7
And I may have a writ
Am C
Because I didn't sign for it
G E7 Am E7
You know how people talk in a small town

Am E7 A A7 A
Please don't step on my rainbow
G Dm Am E7
It's only staying for a while
Am E7
And it won't be too long
Am C
Until the day is on the run
G E7 Am E7
And night time will shutter its smile
