

Tom: G

The Corrs - Hideaway

```
Don't hideaway
Chords:
A [x 0 0 2 2 0]
Cmaj9 [x 3 0 0 0 0]
                                                                                Αm
                                                              'Cause I know that you've got what it takes
                                                               G D Am
D2 [x 0 0 2 3 0]
C2 [x 3 0 0 3 0]
                                                              I believe you can be what you wanna be
Intro: (Played underneath verse):
                                                                           Cmaj9 G
                                                              Let yourself go, don't worry about a thing
                  Cmaj9
                                                               Breaking the chains, so hard to begin
Verse:
                                                              Follow your heart don't be afraid
            Cmaj9
  It's time to change, throw out the books
   D
                                                              Prechorus:
and start again
A Cmaj9
                                                                          D2
                                                              You think that you're ok
  Break all the rules, fall on your face
                                                                   Am
                                                              But it's not good, good enough for you
don't be ashamed
                     Cmaj9
                                                              Chorus:
  You can't waste more time 'cause you've been
                                                              Don't hideaway
gone for far too long
Cmaj9
Trapped in his arms, safe without harm

D
                                                              'Cause I know that you've got what it takes
                                                               G D Am
                                                              I believe you can be what you wanna be
Follow your heart don't be afraid
                                                              Don't hideaway
Prechorus:
                                                                                Am
                                                              'Cause I know that you've got what it takes
G D Am C
You think that you're ok
                                                              I believe you can be what you wanna be G D
But I don't believe in what you say
                                                              Don't hideaway
C2 D2
You think that it's too late
                                                                                Αm
                                                              'Cause I know that you've got what it takes
But it's not good, good enough for you
                                                               G D Am
                                                              I believe you can be what you wanna be
Chorus:
