

# The Corrs - Long Night

Tom: G  
Intro:

Verso:  
 G It doesn't really matter now you're gone  
 G You never were around that much to speak of  
 G Didn't think that I could live without you, baby  
 G It couldn't be that hard to live alone

Pré-Refrão:  
 But I'm all, all alone again  
 Thinking you will never say  
 that you'll be home again

Refrão:  
 And it's gonna be a long night  
 And it's gonna be cold without your arms  
 And I'm gonna get stage fright caught in the headlights  
 It's gonna be a long night  
 And I know I'm gonna lose this fight

Verso:  
 G Once upon a time we fell in love  
 G And I thought that I would be the only one

Pré-Refrão:  
 But now I'm on, on my own again  
 Thinking you will never show  
 you won't be home again

Refrão:

And it's gonna be a long night  
 And it's gonna be cold without your arms  
 And I'm gonna get stage fright caught in the headlights  
 It's gonna be a long night  
 And I know I'm gonna lose this fight  
 Lost in your arms baby,  
 Lost in your arms
