

The Corrs - So Young

Tom: G

Intro: While the acoustic guitar strums the chords, the electric guitar plays this:

G, C, D, D, G, C, D, D

Verse One

We were taking it easy, bright and breezy yeah

We are living it up just fine and dandy yeah

We are caught in a haze on these lazy summer days

We're spending all of our nights just laughing and kissin yeah

Bridge

And it really doesn't matter that we don't eat

And it really doesn't matter that we don't sleep

It really doesn't matter, really doesn't matter at all

Chorus

Cos we are so young now, we are so young, so young now

And when tomorrow comes we'll just do it all again

Verse Two

We are chasing the moon, just running wild and free

We are following through every dream and every need

Bridge

And it really doesn't matter that we don't eat

And it really doesn't matter that we don't sleep

It really doesn't matter, really doesn't matter at all

Chorus

Cos we are so young now, we are so young, so young now

And when tomorrow comes we'll just do it all again

Cos we are so young now, we are so young, so young now

And when tomorrow comes we'll just do it all again
