

The Cosmic Surfer - Supernatural Blues

Tom: **G**

Well I walked a thousand miles **E**
 Been to see the farthest lands
 Well I've lived above the mountains
 And I've crossed the desert sands
 And I've been through every city with a fire in my hands **G** **A** **E**
E
 The Spirits give me reason
 Making sure I understand
 They took me as a baby

And returned me as a man
G
 They said to spread the word
A **E**
 Go play your music in a rockin' band
E
 Well I'll meet you by the river
 And you can be my Indian guide
 I'll give you all of my possessions
 If you take me on the midnight ride
G
 You can take me up to Heaven
A **E**
 Or you can leave me on the other side
