

# The Cosmic Surfer - The One

Tom: G

**Dm**  
 You will bring out the colors  
**Dm**  
 When it's all black and white  
**Dm**  
 You will bring out the sunshine  
**Dm**  
 After darkness of night

**Dm**  
 You will bring out the warmth  
**Dm**  
 When I'm feeling so cold  
**Dm**  
 You will make me feel youthful  
**Dm**  
 When I'm feeling so old

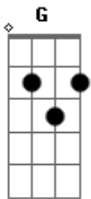

**F** **A**  
 Cause you, I knew?  
**Dm**  
 Were the one  
**F** **A**  
 Cause you, I knew?  
**Dm**

Were the one

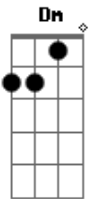

**Dm**  
 You will be my Miss Morphine  
**Dm**  
 When I'm feeling in pain  
**Dm**  
 You will be my dry shelter  
**Dm**  
 When it's pouring with rain  
**Dm**  
 You will be my White Angel  
**Dm**  
 That has come from above  
**Dm**  
 I will be the retainer  
**Dm**  
 That you fill up with love

**F** **A**  
 Cause you, I knew?  
**Dm**  
 Were the one  
**F** **A**  
 Cause you, I knew?  
**Dm**  
 Were the one
