She has eyes that lite up the room
When she smiles i dont know what to do
I wish i had her here by my side
                       Bb
Just to tell her how i feel inside
So take my hand and lets see where it goes
Thrust me i would never let a thing go wrong
                     Bb
I know im clumsy but im willing to show
That im more than happy to have you for so long
She holds my hand when im afraid of myself
She makes me laugh when i dont know what to tell
And when i have to make this a song
