>From: (Tom Chess)

interested on any parts anyone else has (same goes for Sunday's music).  
Hopefully enough parts will turn into complete songs.

"Deaming My Dreams"

acoustic intro is: C G F C

then the picked through electric goes: C G(barre) Am(barre)  
then end with picking through F Dm

"Linger"

I think this has been tabbed enough

Intro: picking through D 2 then 2 then back to normal D

```

3 3
2 0

Chords go D A C G

D is played 2 and 2 A is played 0 and 0 C: 0 and 0 and G 3 and Well, it's a start on a few songs, more later (i hope)

```

```

2 0 2 2 0 0
0 0 0 0 2 2 2 2 0
0 0 0 3 3 2

```

"Ridiculous Thoughts"

Intro: is A G E, that's all i have, sorry

"Daffodils Lament"

Intro: riff is  
(note, capo up to G )

that's actually all hammer ons and pulloffs.

Then it goes into the awesome flange and i can no longer make out the chords.
