(passagem 2)

It makes me lonely
 It makes me very lonely
 When I see you here, waitin' on
 It makes me tired
 It makes me very tired
 And inside of me, limps on
 But you have your heart
 Don't believe it
 And you will find it, waitin' on
 Everything I said
 Well I meant it
 And inside my head, holdin' on

Cause if I die tonight
 Would you hold my head, no
 Would you understand
 And if I lived in spite
 Would you still be here, no
 Would you disappear

Surely must be you
 But I don't make you lonely
 I'll get over you
 But I don't make you lonely
