I sent this tab in last Week but I forgot to mention that you need to
Capo the third fret to make it sound right.

"I'm Still Remembering"
CD: to the faithful departed
tabbed by John P. Flynn

The Sort of C part doesn't sound right but is the closest I can find.
If anyone has a better chord for the 'sort of C' part I would be grateful if they would
tell me.

C D Minor Sort of C D Minor

The Rhythym is Two Down Strokes followed by two upstrokes followed by upstroke
downstroke.
