Tom: G
                   Bbm Ebm
Life is no garden of roses
          D7
More like a vessel in time
Sailing fast
             D7 C
Waiting for no one this time
Sailing fast
             D7 C
Waiting for no one this time
             D7 C
Now that you've killed me with your eyes
Why did you push me away
How will I make it without you
                Bm
How will I go on my way
