

The Cranberries - Still Do

Tom: **G**

Segue os mesmos acordes em toda a música: **Am C D Em**

Intro: - **Am C D Em**

I'm not ready for this
 Though I thought I would be
 I can't see the future
 Though I thought I could see

(Refrão)

I don't want to leave you
 Even though I have to

I don't want to love you
 I still do

Need some time to find myself
 I wanna live within
 Can I go my own way
 Can I pray my own way
 I don't want to leave you
 I need you
Am I ready for this
 Did I think I would be
 Can I see the future
 No, I can't see
