

# The Cranberries - Still Do

Tom: **G**

Segue os mesmos acordes em toda a música: **Am C D Em**

Intro: - **Am C D Em**

I'm not ready for this  
 Though I thought I would be  
 I can't see the future  
 Though I thought I could see

(Refrão)

I don't want to leave you  
 Even though I have to

I don't want to love you  
 I still do

Need some time to find myself  
 I wanna live within  
 Can I go my own way  
 Can I pray my own way  
 I don't want to leave you  
 I need you  
**Am** I ready for this  
 Did I think I would be  
 Can I see the future  
 No, I can't see
