When  
When will the icicle melt,  
And when  
When will the picture show end  
I should not have read the paper today  
'Cause a child, child he was taken away

There's a place for the baby that died  
And there's time for the mother who cried  
And she will hold him in her arm sometime  
'Cause nine months is too long

How could you hurt a child  
Now does this make you satisfied  
I don't know what's happening to people today  
When a child, he was taken away

There's a place for the baby that died  
And there's time for the mother who cried  
And she will hold him in her arm sometime  
'Cause nine months is too long

There's a place for the baby that died  
And there's time for the mother who cried  
And you will hold him in your arms sometime  
'Cause nine months is too long
