C Am Em G  
Hold on to love that is what I do, now that I've found you

And from above everything's stinking, they're not around you  
C Am  
And in the night I could be helpless  
Em G  
I could be lonely, sleeping without you  
C Am  
And in the day, everything's complex  
Em G  
There's nothing simple when I'm not around you

C Am  
But I miss you when you're gone

That is what I do, ba-babe

And it's going to carry on
