tom:

Intro: **Dbm** **Dbm**

[Primeira Parte]

Dbm
Tell me once again
A **E**
I could have been anyone, anyone else
Dbm **A** **E**
Before you made the choice for me
Dbm
My feet knew the path
A **E**
We walked in the dark, in the dark
Dbm
I never gave a single thought
A **E**
To where it might lead

(**Dbm** **A** **E**)
(**Dbm** **A** **E**)

[Segunda Parte]

Dbm
All those empty rooms
A **E**
We could have been anywhere, anywhere else
Dbm **A** **E**
Instead I made a bed with apathy
Dbm
My heart knew the weight
A **E**
Ten years worth of dust and neglect
Dbm
We made our peace with weariness
A **E**
And let it be

(**Dbm** **A** **E**)
(**Dbm** **A** **E**)

[Pré-Refrão]

Dbm
The moon will sing a song for me
B **A**
I loved you like the sun
Dbm
Bore the shadows that you made
B **A**
With no light of my own

[Refrão]

Dbm **A** **E**
I shine only with the light you gave me
Dbm **A** **E**
I shine only with the light you gave me

(**Dbm** **A** **E**)

[Terceira Parte]

Dbm
Name your courage now
A **E**
We could have had anything, anything else
Dbm **A** **E**
Instead you hoarded all that's left of me
Dbm
Swallowing your doubt
A **E**
Like swords to the pit of my belly
Dbm **A** **E**
I want to feel the fire that you kept from me
(**Dbm** **A** **E**)
