

The Creepy Crawlies - Deal of the Century

tom:
 Don't laugh, I want you to come over
 I want you to leave just when you arrive
 It's not a contradiction, no
 It makes sense in my mind
 You've gotta give me something
 Something to held my ego on
 I can't just lay here to decay here
 A fish in a dry pond
 How can I get stronger?
 I'm weightless, I'm a kite
 Tethered to some stranger
 How'll I ever reach the
 Somehow, I must of left the door open
 It must of been bangin' in the breeze
 It must of been easy for you
 To rearrange everything
 What happened to my records? and why are my
 Opinions in the yard?
 If you don't like them you can ignore them

Like you did before
 How can I get stronger?
 I'm weightless, I'm a kite
 Tethered to some stranger
 I'll never reach the
 You gotta gimme something
 You gotta gimme something, uh-huh
 For sale by owner, unused
 Future hopes and dreams
 It's a two for one special
 It's the deal of the century
 (Still figuring out the solo)
 It's a two for one special
 It's the deal of the century
 (Deal of the century)
 Deal of the century
 (Deal of the century)
 Deal of the century
