Down and out in London, Los Angeles, And Paris too  
I drank a river In my time just To get on through

Well the night It rise above you, rise above me  
And the blues They swirl around me

To the heart of soul

You gotta bleed a little while you sing

Less the words Don't mean no thing

Gotta get to the heart of soul

Gotta get to the heart of soul

Get to the hip now baby Fore the hip get to you -- lil' woman  
Try to bend me out of shape Can't tell me what to do -- lil'honey

Well the night It rise above you, rise above me  
And the blues They swirl around me

To the heart of soul

You gotta bleed a little while you sing

Less the words Don't mean no thing

Gotta get to the heart of soul

Gotta get to the heart of soul

From the delta  
Down on the river

Gonna, gonna, gonna go now baby  
Gonna find a little bit of heart of soul now baby, yeah

We need some heart of soul In the world today now

A little bit of heart of soul now In the world today

A little bit of soul

A little bit of heart of soul so, so, so, so, soul

You gotta bleed a little while you sing

Less the words Don't mean no thing

Gotta get to the heart of soul

Gotta get to the heart of soul

What I want Is a heart of soul

What I want What I need Is a heart of soul now

What I want Heart of soul yeah

What I want baby is a heart of soul

You got the heart, you got the soul You got the heart of soul

You got the power, you got the heart You got the soul
