

The Cult - Wild Flower

Tom: **E**

From: (S94)

You'll have to figure out the solo yourself, although it seems to be just moderate picking with a load of bends thrown in here and there and probably a few harmonics for good measure as well. I'll figure it out when I get the time and if I actually think it's worthwhile. Probably better off making your own - shouldn't be too hard to come up with something similar.

Intro:

Verse:

Chorus:

Outro:

Play intro 8 times (intro)
 Play verse 4 times (verse 1)
 Play chorus 2 times
 Play intro 4 times (prelude to verse 2)
 Play verse 4 times (verse 2)
 Play chorus 4 times
 Play solo
 Play intro 7 times and then one more **B** chord
 as the drums come to a stop.
 Play outro 6 times and then a **B** chord to finish off.

This is the basics, there's some chord holding as well of the **E** and **A** in the verse and chorus. Just listen to the **CD** to hear when they come.
