Em D
Please wake up
C7M Am7
It's so dark and cold

That you're going away

All I want is summer
C7M Am7
Stories from before

Just like the day you tried to hide

C7M Am7
Behind the churchyard wall

Em D
And fell asleep before I came

I found you in a chain of flowers

Em D
Sleeping like a marble girl

C7M Am7
Sleeping in another world

G Bm7
I'll never tell you

G Bm7
Of all the different ways

G Bm7
all the different ways

G Bm7
You make me so afraid

[Solo] Em D C7M Am7
