

The Cure - A Letter to Elise

Tom: D
Intro:

Intro: 3x: A E Gbm D

A E
Oh Elise it doesn't matter what you say
I just can't stay here every yesterday
Like keep on acting out the same the way we act out
A E
Every way to smile, forget, and make-believe we never needed
Gbm D
Any more than this, any more than this

(A E Gbm D) (2x)

A E
Oh Elise it doesn't matter what you do
I know I'll never really get inside of you
To make your eyes catch fire the way they should
A E
The way the blue could pull me in, If they only would, if they
Gbm D
At least I'd lose this sense of sensing something else

That hides away

A
From me and you there're worlds to part
E
With aching looks and breaking hearts
Gbm
And all the prayers your hands can make
D A
Oh I just take as much as you can throw
E
And then throw it all away
Gbm
Oh I throw it all away
D
Like throwing faces at the sky
E
Like throwing arms round yesterday I stood and stared
Gbm
Wide-eyed in front of you
E
And the face I saw looked back
Gbm

The way I wanted to
E Gbm
But I just can't hold my tears away the way you do

G Gbm
Elise believe I never wanted this
G Gbm
I thought this time I'd keep all of my promises
G Gbm
I thought you were the girl always dreamed about

G Gbm
But I let the dream go, and the promises broke
And the make-believe ran out...

Like falling sand

It runs away through my clutching hands
