

# The Cure - A Letter to Elise

Tom: D  
Intro:

Intro: 3x: A E Gbm D

A E  
Oh Elise it doesn't matter what you say  
I just can't stay here every yesterday  
Like keep on acting out the same the way we act out  
A E  
Every way to smile, forget, and make-believe we never needed  
Gbm D  
Any more than this, any more than this

(A E Gbm D ) (2x)

A E  
Oh Elise it doesn't matter what you do  
I know I'll never really get inside of you  
To make your eyes catch fire the way they should  
A E  
The way the blue could pull me in, If they only would, if they  
Gbm D  
At least I'd lose this sense of sensing something else

That hides away

A  
From me and you there're worlds to part  
E  
With aching looks and breaking hearts  
Gbm  
And all the prayers your hands can make  
D A  
Oh I just take as much as you can throw  
E  
And then throw it all away  
Gbm  
Oh I throw it all away  
D  
Like throwing faces at the sky  
E  
Like throwing arms round yesterday I stood and stared  
Gbm  
Wide-eyed in front of you  
E  
And the face I saw looked back  
Gbm

The way I wanted to  
E Gbm  
But I just can't hold my tears away the way you do

G Gbm  
Elise believe I never wanted this  
G Gbm  
I thought this time I'd keep all of my promises  
G Gbm  
I thought you were the girl always dreamed about

G Gbm  
But I let the dream go, and the promises broke  
And the make-believe ran out...

Solo: E Gbm 3x

A E Gbm D 3x

A E  
Oh elise it doesn't matter what you say  
I just can't stay here every yesterday  
D  
Like keep on acting out the same

The way we act out  
A  
Every way to smile, forget,  
E  
And make-believe we never needed  
Gbm  
Any more than this  
D  
Any more than this

A E  
And every time I try to pick it up

Like falling sand  
Gbm  
As fast as I pick it up  
D  
It runs away through my clutching hands  
A  
But there's nothing else I can really do  
E  
There's nothing else I can really do  
Gbm  
There's nothing else  
D  
I can really do at all...
