

The Cure - A Strange Day

Tom: **C**

A **B** **G**
Give me your eyes that I can see
A **B** **G**

The blind man kissing my hands
The sun is humming (Continua a
mesma progressão)
My head turns to dust as he plays on his knees
As he plays on his knees

Refrão:

F **G**
And the sand and the sea glows I close my eyes
F **G**
Move slowly through drowning waves
A **B**
Going away on a strange day

(Mesma progressão da primeira estrofe)

And I laugh as I drift in the wind
Blind
Dancing on a beach of stone
Cherish the faces as they wait for the end
Sudden hush across the water
And we're here again

(Refrão)

E **F**
My head falls back and the walls crashed in
G **A**
And the sky and the impossible explodes
B **C**
And for one moment I remember a song
D
An expression of sounds
E
And the everything is gone forever
