

The Cure - A Strange Day

Tom: C

^A Give me your eyes that I can see

^A The blind man kissing my hands

The sun is humming

(mesma progressão)

My head turns to dust as he plays on his knees

As he plays on his knees

Refrão:

^F And the sand and the sea glows I close my eyes

^F Move slowly through drowning waves

^A Going away on a strange day

(Mesma progressão da primeira estrofe)

(Continua a

And I laugh as I drift in the wind
Blind

Dancing on a beach of stone

Cherish the faces as they wait for the end

Sudden hush across the water

And we're here again

(Refrão)

^E My head falls back and the walls crashed in

^G And the sky and the impossible explodes

^B And for one moment I remember a song

^D An expression of sounds

And the everything is gone forever
