

The Cure - Apart

Tom: C

He waits for her to understand^{Am}
 But she won't understand at all^{Dm}
 She waits all night for him to call^{Am}
 But he won't call anymore^G
 He waits to hear her say^{Am}
 "Forgive"^{Dm}
 But she just drops her pearl-black eyes^{Am}
 And prays to hear him say^{Am}
 "I love you"^G
 But he tells no more lies^{Dm}
 He waits for her to sympathize^{Am}
 But she won't sympathize at all^G
 She waits all night to feel his kiss^{Am}
 But always wakes alone^{Dm}
 He waits to hear her say^{Am}
 "Forget"^G
 But she just hangs her head in pain^{Dm}
 And prays to hear him say^{Am}
 "No more"^G

I'll never leave again"^{Dm}
 How did we get this far apart?^{Am}
 We used to be so close together^G
 How did we get this far apart?^{Dm}
 I thought this love would last for ever^{Am}
 He waits for her to understand^G
 But she won't understand at all^{Dm}
 She waits all night for him to call^{Am}
 But he won't call^G
 He waits to hear her say^{Am}
 "Forgive"^{Dm}
 But she just drops her pearl black eyes^{Am}
 And prays to hear him say^G
 "I love you"^{Dm}
 But he tells no more lies^{Am}
 How did we get this far apart?^G
 We used to be so close together^{Dm}
 How did we get this far apart?^{Am}
 I thought this love would last for ever^G
