

# The Cure - Apart

Tom: C

He waits for her to understand  
 But she won't understand at all  
 She waits all night for him to call  
 But he won't call anymore

Am  
 He waits to hear her say  
 "Forgive"  
 But she just drops her pearl-black eyes  
 And prays to hear him say  
 "I love you"  
 But he tells no more lies

Am  
 He waits for her to sympathize  
 But she won't sympathize at all  
 She waits all night to feel his kiss  
 But always wakes alone  
 He waits to hear her say  
 "Forget"  
 But she just hangs her head in pain  
 And prays to hear him say  
 "No more"

Dm Am  
 I'll never leave again"

G Dm Am  
 How did we get this far apart?  
 We used to be so close together  
 How did we get this far apart?  
 I thought this love would last for ever
