

The Cure - Burn

Tom: G

"Don't look don't look" the shadows breathe
 Whispering me away from you
 "Don't wake at night to watch her sleep
 You know that you will always lose
 This trembling adored
 Tossed bird mad girl"

But every night I burn
 Every night I call your name
 Every night I burn
 Every night I fall again

"Oh don't talk of love" the shadows purr
 Murmuring me away from you
 "Don't talk of worlds that never were
 The end is all that's ever true
 There's nothing you can ever say
 Nothing you can ever do"

Still every night I burn
 Every night I scream your name

Every night I burn
 Every night the dream's the same
 Every night I burn
 Waiting for my only friend
 Every night I burn
 Waiting for the world to end
 "Just paint your face" the shadows smile
 Slipping me away from you
 "Oh it doesn't matter how you hide
 Find you if we're wanting to
 So slide back down and close your eyes
 Sleep a while you must be tired"
 But every night I burn
 Every night I call your name
 Every night I burn
 Every night I fall again
 Every night I burn
 Scream the animal scream
 Every night I burn
 Dream the crow black dream
