B
I've waited hours for this
I've made myself so sick
Ab
I wish I'd stayed asleep today
B
I never thought this day would end
I never thought tonight could ever be
This close to me

B Ab F#-E

B
Just try to see in the dark
Just try to make it work
Ab
To feel the fear before you're here
B
I make the shapes come much too close

I pull my eyes out
Ab
Hold my breath
F|5-**E**
And wait until I shake...

E
But if I had your faith
Then I could make it safe and clean
B
E
If only I was sure
That my head on the door was a dream
