

# The Cure - High

Tom: A

Intro:

A E A E

A E A E  
When i see you sky as i kite, as high as i might i can't get  
that high

A E A E  
the how you move, the way you burst the clouds, it makes me  
want to try

when i see you sticky as lips, as licky as trips  
i can't lick that far but when you pout  
the way you shout out loud it makes me want to start  
and when i see you happy as a girl  
that swims in a works of magic show  
it makes me bite my fingers through  
to think i could've let you go

A G A  
And when i see you take the same sweet steps  
G A G

you used to take i say i'll keep holding you  
my arms so tight, i'll never let you slip away (Intro)

and when i see you kitten as a cat  
yeah as smitten as that  
i can't get that small  
the way you fur  
the how you purr  
it makes me want to paw you all  
and when i see you happy as a girl  
that lives in a world of make-believe  
it makes me pull my hair all out  
to think i could've let you leave

and when i see you  
take the same sweet steps  
you used to take  
i know i'll keep on holding you  
in arms so tight  
they'll never let you go

## Acordes
