

The Cure - Letter to Elise

Tom: A

Oh elise it doesn't matter what you say
 I just can't stay here every yesterday
 like keep on acting out the same
 the way we act out
 every way to smile
 forget
 and make-believe we never needed
 any more than this
 any more than this

oh elise it doesn't matter what you do
 I know i'll never really get inside of you
 to make your eyes catch fire
 the way they should
 the way the blue could pull me in
 if they only would
 if they only would
 at least I'd lose this sense of sensing something else
 that hides away
 from me and you
 there're worlds to part
 with aching looks and breaking hearts
 and all the prayers your hands can make
 oh I just take as much as you can throw
 and then I throw it all away
 oh I throw it all away
 like throwing faces at the sky
 like throwing arms around
 yesterday
 I stood and stared

wide-eyed in front of you
 and the face I saw looked back
 the way I wanted to
 but I just can't hold my tears away
 the way you do

elise believe I never wanted this
 I thought this time I'd keep all of my promises
 I thought you were the girl always dreamed about
 but I let the dream go
 and the promises broke
 and the make-believe ran out...

so elise
 it doesn't matter what you say
 I just can't stay here every yesterday
 like keep on acting out the same
 the way we act out
 every way to smile
 forget
 and make-believe we never needed
 any more than this
 any more than this

and every time I try to pick it up
 like falling sand
 as fast as I pick it up
 it runs away through my clutching hands
 and there's nothing else I can really do
 there's nothing else I can really do
 there's nothing else I can really do
 at all...
