

# The Cure - Letter to Elise

Tom: A

Oh elise it doesn't matter what you say  
 I just can't stay here every yesterday  
 like keep on acting out the same  
 the way we act out  
 every way to smile  
 forget  
 and make-believe we never needed  
 any more than this  
 any more than this

oh elise it doesn't matter what you do  
 I know i'll never really get inside of you  
 to make your eyes catch fire  
 the way they should  
 the way the blue could pull me in  
 if they only would  
 if they only would  
 at least I'd lose this sense of sensing something else  
 that hides away  
 from me and you  
 there're worlds to part  
 with aching looks and breaking hearts  
 and all the prayers your hands can make  
 oh I just take as much as you can throw  
 and then I throw it all away  
 oh I throw it all away  
 like throwing faces at the sky  
 like throwing arms around  
 yesterday  
 I stood and stared

wide-eyed in front of you  
 and the face I saw looked back  
 the way I wanted to  
 but I just can't hold my tears away  
 the way you do

elise believe I never wanted this  
 I thought this time I'd keep all of my promises  
 I thought you were the girl always dreamed about  
 but I let the dream go  
 and the promises broke  
 and the make-believe ran out...

so elise  
 it doesn't matter what you say  
 I just can't stay here every yesterday  
 like keep on acting out the same  
 the way we act out  
 every way to smile  
 forget  
 and make-believe we never needed  
 any more than this  
 any more than this

and every time I try to pick it up  
 like falling sand  
 as fast as I pick it up  
 it runs away through my clutching hands  
 and there's nothing else I can really do  
 there's nothing else I can really do  
 there's nothing else I can really do  
 at all...
