

The Cure - Lullaby

Tom: A
Intro:

(Dbm A)(x2)

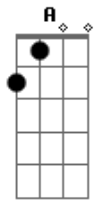

São 6 vezes com a combinação de Dbm e A

Dbm
 On candystripe legs spiderman comes,
A
 Softly through the shadow of the evening sun.
Dbm
 Stealing past the windows of the blissfully dead,
A
 Looking for the victim shivering in bed.
Dbm
 Searching out fear in the gathering gloom,
A
 And suddenly! A movement in the corner of the room!
Dbm
 And there is nothing I can do when I realise with fright
A
 That the spiderman is having me for dinner tonight!

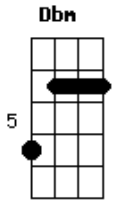

Dbm
 Quietly he laughs, and shaking his head
A
 Creeps closer now, closer to the foot of the bed,
Dbm
 And softer than shadow and quicker than flies,
A
 His arms are all around me and his tongue in my eyes...
Dbm
 "Be still, be calm, be quiet now, my precious boy,
A
 Don't struggle like that, or I will only love you more,
Dbm
 For it's much too late to get away or turn on the light;
A
 The spiderman is having you for dinner tonight!"

Gbm
 And I feel like I'm being eaten
A
 By a thousand million shivering furry holes,
Gbm
 And I know that in the morning
A
 I will wake up in the shivering cold...
Dbm
 And the spiderman is always hungry...
