Em C G G
no i won't do it again, i don't want to pretend
if it can't be like before i've got to let it end
i don't want what i was, i had a change of head
but maybe someday...
yeah maybe someday

Em C G G
i've got to let it go and leave it gone
just walk away, stop it going on
get too scared to jump if i wait too long
but maybe someday...

C D Eb E
i'll see you smile as you call my name
start to feel, and it feels the same
and i know that maybe someday's come
maybe someday's come...

again!

so tell me someday's come tell me some days come again...

Em C G G
no i won't do it some more, doesn't take any sense
if it can't be like it was, i've got to let it rest
i don't want what i did, i had a change of tense
but maybe someday...

C D Eb E
i'll see you smile as you call my name
start to feel, and it feels the same
and i know that maybe someday's come
maybe someday's come...

C Eb E C
if i could do it again maybe just once more
C Eb E C
think i could make it work like i did it before

C Eb E
if i could try it out
if i could just be sure
that maybe someday is the last time

C E Eb
yeah maybe someday is the end
oh maybe someday is when it all stops

C E Eb
oh maybe someday always comes again...
