

# The Cure - Mint Car

tom:

D

Intro: D G A

[Primeira Parte]

The sun is up  
I'm so happy i could scream  
And there's nowhere else in the world I'd rather be  
Than here with you  
It's perfect  
It's all I ever wanted  
I almost can't believe that it's for real  
So pinch me quick  
I really don't think it gets any better than this  
Vanilla smile  
And a gorgeous strawberry kiss!  
Birds sing we swing

## Acordes

Clouds drift by and everything is like a dream  
It's everything I wished

Clouds drift by and everything is like a dream  
It's everything I wished

[Refrão]

Never guessed it got this good  
Wondered if it ever would  
Really didn't think it could  
Do it again?  
I know we should!

[Pós-Refrão]

End like this  
Do it all the time  
I know that we should
